THE THUNDERBIRD

Nestled between the world famous Las Vegas Strip and Downtown Las Vegas' historic Fremont Street, The Thunderbird is literally in the middle of all the action. The boutique hotel embodies the spirit of the city's emerging Arts District and revamped Main St. which surrounds it, with a chic twist and a dash of Old Vegas charm.

The property is in the middle of a massive art-infused block party on the first Friday night of each month and keeps the vibe going in between with its retro-chic lounge and pool area. With the entertainment and meeting space of the Royal Showroom, Thunderbird offers variety of options to both leisure and business visitors.

Relax in the Vegas sunshine by the pool, grab a cocktail in the lounge or enjoy outside patio by the fire pit. Wherever you choose to hang, The Thunderbird's easy-going aesthetic, fused with a hint of nostalgia, will earn the title of your home away from home.

THE ROOMS

The Thunderbird feature 100 rooms, out of which eight are Junior Suites and one presidential Suite providing the perfect home base for your Vegas adventures. All rooms feature coffee makers, iron/ironing board, hairdryers, LED flat screen TVs and designer bath products. Rest easy on plush pillow-top mattresses and soft linens. Reclaimed wood beds amid eclectic textures provide a hint of nostalgia to complement the sophisticated and contemporary styling.

THE ROOMS

The Thunderbird's Rooms feature custom-designed work areas to let you finish up your business in comfort until playtime begins. Get ready for your day or night in the spacious bathroom with rain shower heads. Relax before or after going out and catch a movie from the comforts of the plush pillow-top bed.

PRESIDENTIAL SUITE

The Thunderbird Presidential Suite feels more like a luxury pool-side apartment with its separate king bedroom, where you can retreat for a little relaxation to recharge your batteries. The suite also features a contemporary living room, kitchenette and a bar, making it perfect for entertaining. Use it as your pre-party pad or make it the night's main destination because there's room for the whole crew.
